

Grill Diamante

The brand-new **Grill Diamante** from **Bialetti** has an innovative thermostat that keeps you constantly up-to-date with the temperature of the pan, giving you indications so you can adjust it to the most appropriate level for the food you want to cook. What's more, this saves on energy by avoiding excessively high cooking temperatures. The aluminium body and **Petravera 2.0 Plus** coating give you high-performance cooking for optimum results.
