

Moka Induction

Moka Induction, the perfect marriage between loyalty to the unmistakable Moka Express design and understanding of the versatility required by modern cooking hobs, is now available in two new colours: **white** and **red**. The signature Bialetti expertise and know-how have instilled the **Moka Induction** with all the dependability and style of a traditional cafetiere, whilst ensuring its compatibility with gas, electric, glass-ceramic and induction cooking hobs. The result is the best **Moka Bialetti** yet: the effortless combination of **shiny steel water tank** and **painted aluminium upper part** in modern, en vogue tones are suited to any variety or style of kitchen.

Available colours: Red, White, Gold and Charcoal

Moka Induction specifications
